

Rink Side Freestyle Rules

Skaters:

Pay at *Skate Rental* or *Guest Services* **BEFORE** you take the ice.

Take the ice at the **EXACT** start time. Do not start your session early.

Wear the safety vest **EVERY TIME** you do your program.

Keep moving. Do not stay in the same place for any length of time.

Please leave the ice to have a conversation.

First right of way goes to skaters doing his/her program.

Second right of way goes to skaters having a lesson.

Put your music in line, and wait your turn.

Professionals:

Keep moving. Do not stay in the same place for any length of time.

Consider teaching from the barrier on busy sessions.

Please turn in proof of liability insurance to the skating director.

You may bump the music line twice for a lesson. Be courteous.

Spectators:

Please take a seat. Do not block the skaters' entrance.

Do not talk to skaters while they are on the ice.

No flash photographs.

Don't coach from the bleachers!

Everyone:

It is very important that you don't use the corner circles. Stay out of the jumping lanes.

Please follow the map of suggested areas for practicing certain elements.

It is normally hanging above the lockers in the lobby.

Thank you,

Janel Wamboldt
