

It's about time!

New universal term makes renewal tracking a breeze!

ISI Membership Made Simple

- Effective Sept. 1, 2008, ISI will be changing to a universal membership term for both Professional and Individual members. Memberships will begin on Sept. 1 and expire on Aug. 31 of each year.
- Annual membership fees will remain the same (\$75 for Professional, \$13 for Individual), and will be prorated after March 1 of each year (\$45 for Professional, \$9 for Individual).
- Existing memberships that expire after Sept. 1, 2008 remain in effect through the end of their current membership period, then depending on that date, renew at either the full or pro-rated rate for the remainder of the 2008-09 term.
- By Sept. 1, 2009, all memberships will renew on the same date each year!

FAQs

Why a universal membership term?

We have received considerable feedback from our Administrative members who have told us that our "12 months from inception" membership period was difficult to track and an administrative challenge for many rink managers and skating school directors. This new system will eliminate those issues and streamline the process for all involved – rinks, coaches, skaters, parents and the ISI headquarters. It's an easy date to remember, and coincides with the ISI hockey membership renewal date. It will be especially appreciated by families with multiple ISI members currently renewing on different dates.

In the future, will new members have to join at the beginning of the universal term?

No, new members are welcome to join anytime during the year. The full annual membership rate applies between Sept. 1 and March 1; the pro-rated fee applies March 1 through Aug. 31. After that, their memberships will always renew on Sept. 1.

If I renewed in April 2008, do I still get a full year?

Yes. Your membership will expire in April 2009, and at that time you may renew at the discounted rate of \$9 (Individual) or \$45 (Professional). On Sept. 1, 2009, you will renew at the full rate for 12 months.
